Thank you for your interest in the Weatherization Assistance Program operated by Economic Security Corporation. Our goal is to improve the energy efficiency of your home, which reduces your utility bills and makes your home more comfortable. This program is funded through SPIRE ENERGY. There is absolutely no cost to you or your family to take advantage of these services. *If you rent your home, please contact our office for the Landlord Authorization Form.* The first step is to fill out the application below and provide the following documentation.

- Proof of income from the last three calendar months (pay dates, not pay periods) for everyone in the household.
- The most recent **SPIRE** bill for the address in which you are applying for.
