What does my child need to know to be ready for kindergarten?
How can I help my child succeed in school?

Let Joplin Parents as Teachers help you and your child be prepared for the exciting transition to kindergarten:

Join us for Kindergarten Bootcamp!

Joplin PAT is offering special preschool visits to families with a child that will be going to attend kindergarten in the 22-23 school year. These visits are designed to boost developmental and social-emotional skills needed to succeed in school. Parent Educators will offer ideas and activities to help make the transition to kindergarten smooth for the entire family.

For more information, or to schedule an appointment call the Joplin Parents as Teachers office at 417-208-2069; email kerriclouse@joplinschools.org or message us on Facebook: Joplin Parents as Teachers.
