2023 Inaugural Year

JOPLIN METRO CORPORATE CHALLENGE

“Promoting wellness in the community and building connection in the workplace”

You and your company have been invited to join us for this fun & friendly competition between local businesses.

 **Entry Fee:** The entry fee for the 2023 JMCC is based on the number of people employed by each company in the Joplin Metro area. Your entry entitles your company to participate in any of the JMCC events.

 **T-shirts:** It is suggested that during the event each corporation wear “like” t-shirts.

This is a great way to represent your corporation. Additionally, this will help with scoring and team identification during the event. We will also have a nonpointed, T-Shirt Contest. The contest is a design competition in which the JMCC Steering Committee selects their favorite design. **A prize is given to the winning company of this “Best T-shirt Design” contest.** Additional Detail will be released in January.

Criteria the Board uses in making their decision:

1. Visual appeal and coordination of colors
2. Readability
3. Clearly illustrates company name or logo
4. Creativity / Originality of design
5. Joplin Metro Corporate Challenge name or logo displayed

Company Coordinators Meeting:

Each company must designate at least one Company Coordinator to attend the **mandatory** meeting in March. **COMPANIES MUST HAVE A REPRESENTATIVE AT THIS MEETING!**

 **Awards:** Awards will be issued during the closing celebration in **July**. Awards will be given to the top three corporate teams in each division. Individual awards and team plaques are included.

Awards for nonpointed events will also be given for the Spirit Contest, Sportsmanship Award, and the Excellence Award

Participants need to be employees located within the Joplin Metro. For this purpose, the Joplin Metro includes: Missouri - Jasper & Newton, Kansas - Cherokee, Oklahoma - Ottawa.
