

## HELP JOPLIN ADDRESS HOMELESSNESS- Please take the 5 minute survey!

We are delighted to invite you to participate in this kick-off survey for the Homelessness Strategic Plan that the City Joplin has initiated in alliance with the Joplin Homeless Coalition.

At this stage, we are gathering information on homelessness service providers, existing service offerings and gaps, and collaborative efforts. Your responses to the questions that follow are hugely helpful and will help determine possible resolutions and best practices for the Joplin community.

Click on the QR code with your phones camera to be taken to the survey. We appreciate your time and input.

You can also take the survey from the following link
